## Press Release

### **Kinoton: Emphasizing Continuity and Extending Customer Support**

Christoph Baur

**Kinoton Digital Solutions is in the process of strengthening its international sales organization and offering even more extensive customer support.** Christoph Baur is the latest new member of Kinoton's sales team. From now on, he will be the one for customers in Eastern and Southern Europe and elsewhere to contact, alongside other responsibilities.

"Thanks to his many years of experience in international sales, Mr. Bauer is excellently networked in the marketplace. We regard him as an outstanding addition to our team and are happy to have won him over to Kinoton Digital Solutions," says Kinoton Managing Director Lutz Schmidt. "With his help, we also intend to intensify our support for important aspects such as TMS and digital signage and for new technologies like laser light sources and immersive sound."
